

Forty Under 40!

TRULY LOCAL, TRULY NO KA OI

(Lahaina, Kahana, Maui) – Maui Brewing Co. (MBC) is proud to announce that its founder, Garrett W. Marrero, has been named as one of Hawaii's most successful young business persons of the year.

Forty Under 40 was first sponsored in Hawaii by [Pacific Business News](#) (PBN) in 2000 and it has taken place each year since then. Kanoa Leahey, KHON2 sports director, will again host the PBN FORTY UNDER 40 awards program on Thursday, June 26 at 6 p.m. at the Hawaii Convention Center. PBN and their event sponsors will be honoring 40 of Hawaii's best and brightest young businessmen and businesswomen.

MBC produces genuine Hawaiian beers. Their trio of packaged microbrews are wholly produced and packaged in Lahaina by MBC. Although of course, these are USA products, due to Maui's geographical location, MBC products can actually be considered "imported" to the mainland, especially given the fact that the Hawaiian Islands are the most isolated group of islands on the planet! When you are drinking a MBC microbrew, you are guaranteed that you are enjoying an authentic Mauian beer.

With a strong commitment to the local economy, and deep concern for the environment, MBC microbrews are packaged with the most ecologically-friendly materials. Although cans and bottles are both recyclable, bottles still break and may pose a risk at beaches. The cans are manufactured on Oahu and designed by local Maui artists and have the added bonus of protecting the beer in the best possible manner, protecting our beers from both light and oxygen damage which can seriously compromise the taste. Plastic rings are dangerous to marine life and therefore, you will find a recyclable cardboard wrap around the cans. The spent grain from beer production is donated to local ranchers for cattle feed; and any cans damaged in production are donated to the Maui Humane Society. A few months back MBC purchased equipment from Maui Land & Pineapple, preserving a piece of Hawaii's canning history.

Founder Garrett Marrero and his wife, Melanie, run a 7-barrel brewpub at the Kahana location as well as the 25-barrel full production brewery and canning facility in Lahaina. Maui Brewing Co. is a truly local beer as 100% of their products are made in Hawaii as opposed to other "Hawaiian" beers.
