## Maui Brewing Co. Announces Second Location

### Truly No Ka Oi, Truly Local

(Lahaina, Kahana, Maui) – Maui Brewing Co. announces that as early as next week, groundbreaking construction is to begin on their second location at 910 Honoapiilani Highway, Lahainatown, Maui. The new location will house a complete production operation including a 20 barrel brewing system and an automatic canning line. This phase is expected to complete build-out (and commence brewing) by January 2007.

The first three microbrews that MBC will package are: Big Swell IPA, Bikini Blonde Lager and CoCoNut Porter (a 2006 World Beer Cup gold medal winner).

Maui Brewing Co. has plans to continue their expansion project with a second phase at this new location, expected to complete by summer 2007. Planned are, a tasting room and gift shop where MBC logo wear and other quality, *Made on Maui* products will be featured.

Maui Brewing Co. is proud to have contracted the Joslin Group of Kahului for the build-out construction on this project and will soon accept delivery of the fermenting tanks and other brewing equipment from Stromberg Tanks International, Inc. of Poway, CA.
